

# JA Session Plan

## Preparation

- How do I prepare for this activity?
- Are there materials that need to be separated?
- Can I incorporate technology into the session?
- What is the recommended time for the session?

## Introduction

What are the main ideas, key terms, and learning objectives of this session?

What work or life connections can I use?

## Throughout the Session

How can I connect with the students?

How can I partner with the educator?

## Activity

Describe the steps to the activity:

## Summary & Review

Conclude by reviewing key terms and concepts presented in the session.
